

## Herring Aid Is Back!

While enjoying a nice day beside the river, visitors can see recently-completed engineered improvements at Macallen Dam, such as the new flood gate, reinforced sidewalls on the south bank, and a spruced-up yard at the NH Fish and Game staging area. As usual, visitors can witness first-hand the great annual migration of the river herring, ask the biologists all those fishy questions, handle the fish, and maybe, just maybe, be daring enough to hold a sea lamprey.

This event is free and will occur rain or shine.

Date: Saturday, May 7, 10-noon

Location: Macallen Dam, Newmarket, NH

Free parking is available along Route 108 and behind the Newmarket Public Library. Follow the fish signs to the top of the fish ladder.
